Student Services

Welcome to the Harrison County Career Tech Center!

As a student of Career Tech, you have the opportunity to receive support through the Student Services Program. As your Student Services Coordinator, my job is to make sure you are equipped to be successful both while in school and beyond. Through assessing your individual needs and basic academic skills, it is my goal to learn the areas in which I can better assist you.

A few of the services offered by Student Services are:

- Academic tutoring
- Test-taking strategies
- Resume writing
- Supplies for school
- Quiet study atmosphere
- ACT prep
- College/Career research
- Employability skills
- Computer/Internet Access
- Encouragement

I look forward to meeting and working with each of you and being a part of your success here at HC-CTC. Please feel free to come see me anytime with questions or concerns. My door is always open to you.
