

HARRISON COUNTY CAREER TECH

December 2021

May your days be

**MERRY
& BRIGHT**

USM Entrepreneurship Symposium
and
Harrison County Career Tech
Business, Marketing, and Finance Students

Innovation Challenge - 1st Place

The winning team of
Danica Beachy, Kailey Middleton,
Candace Gross (WHHS),
and Hunter Dawson (HCHS)
will be receiving \$100 each from the
Southern Entrepreneurship Program for
winning the challenge.

Three additional HC - Career Tech BMF teams placed
in the Top 5 in the state.

The Harrison County Career and Technical Center does not discriminate based on race, age, color, sex, national origin, physical/mental disability or religion.

P2P

Engineering students served as hosts at the Pathways 2 Possibilities Expo on Nov 17 and 18 at the MS Coast Coliseum. Thousands of 8th graders from across South Mississippi visited the 8th Annual P2P and were welcomed at the door by HCCTC students.

Holiday Creations

Mr. Hogue's welding students turn horseshoes into works of holiday art.

Hearts of Giving

The TSA, DECA, and Educators Rising students joined forces to collect over 500 canned and boxed items for Loaves and Fishes, a local food bank. This food was used to make Thanksgiving meals for individuals and families needing assistance. Suzanne Guice, Executive Director of Loaves and Fishes, was extremely grateful for the generous donation.

Career Tech Tours

Career Tech hosted tours for ninth grade English I classes. Students from Harrison Central toured in November and students from D'Iberville toured in December. Each learned about opportunities and programs that will be available to them next year.

Ask Your Career Tech Counselor:

Q: Most people are really excited about the holidays, but the holidays get me down. What can I do about it?

A: The holidays can be a tough time for some. Here are a few suggestions to beat the holiday blues:

- *Talk to someone--your counselors and teachers care about you.
- *Be good to yourself--stay hydrated, try to eat right, get sleep, exercise and plenty of fresh air.
- *Keep your routines--Get up at the same time every morning and plan to accomplish at least one thing.
- *Keep traditions with family and friends or make new traditions.
